

# Facing Sudan

## Institutional Screener Program

The purpose of *Facing Sudan* is to raise awareness about the situation in Sudan and to demonstrate how ordinary people can make a difference. Therefore, Bell, Book & Camera Productions has made available a limited number of screening copies for non-profit organizations to use. There is no fee for use of the screener—the only thing we ask is that the screener be sent back after the event.

### **Eligibility**

In order to qualify for the use of a free screener, you must meet the following eligibility requirements:

1. You represent a non-profit organization or educational institution
2. The screening must be non-profit. That is, the people attending the screening must not be charged admission. The request of a voluntary donation, however, is acceptable.
3. The screening must not be for more than 100 people without expressed written consent from Bell, Book and Camera Productions
4. A signed application must be faxed or sent to Bell, Book & Camera Productions before a screener can be sent out.
5. After the screening, the dvd must be sent back to Bell, Book & Camera Productions. For your own safety, it is best to send the screener back via a carrier that has tracking availability (ie, FedEx or UPS)

Bell, Book & Camera Productions only has a limited number of screeners to loan. This agreement is based on availability.

You can reserve a screener or check availability for a particular date by emailing [screenings@bellbookcamera.com](mailto:screenings@bellbookcamera.com)

Note: The screener will be shipped to the appropriate person at least one week prior to the screening.
